Age 42 • New York, NY

Full Body Contouring

★★★★★ 3 weeks ago

After having three children, I thought I'd never get my pre-baby body back. The comprehensive body contouring program here changed everything. Not only did I lose inches, but my skin is firmer and I feel like myself again. The team created a personalized plan that worked perfectly for my lifestyle and goals.

Verified Google Review

**Sarah Johnson**  
★★★★★

I was skeptical about non-surgical treatments, but the results speak for themselves! After just 3 sessions, I lost 4 inches around my waist and my skin feels so much tighter. The staff was incredibly professional and made me feel comfortable throughout...

Cryotherapy + Skin Tightening

**Maria Rodriguez**  
★★★★★

As a busy mom of two, I didn't have time for lengthy recovery periods. This clinic offered exactly what I needed - effective treatments with no downtime. The HIFU treatment helped me get rid of stubborn belly fat that wouldn't budge despite diet and...
